

Meet Award-Winning Author Kevin Wolf

“Trailridge checks all the boxes: a smart, likeable, imperfect protagonist; an unusual crime; plenty of action; tough, clever bad guys, and a sexy blonde in a red Corvette! I loved every page. Kevin Wolf’s latest novel deserved a galaxy of stars. I look forward to more thrilling Gus Hogan Mysteries and this fabulous Rocky Mountain setting.”

Anne Hillerman, author of the *Leaphorn, Chee and Manuelito* mysteries.
